

## ELDER WISDOM CIRCLE 2016/2017 RECOGNITION PROGRAM

The Elder Wisdom Circle Board of Directors would like to formally recognize the following Elders who, above and beyond time spent offering advice, gave of their time, talents and/or financial resources to ensure the success of our organization during our most recent fiscal year (09/01/2016-08/31/2017).

While we deeply value the contributions of all our Elders who provide advice to the public, we feel compelled to recognize those who went above and beyond to ensure the success of the EWC for all of us.

Sincerely,

Elder Wisdom Circle  
Board of Directors
